

Envision Counselling Moves toward Re-Opening their Offices FOR IMMEDIATE RELEASE

Southeast Saskatchewan – Envision Counselling and Support Centre would like to announce that they will be starting their re-opening process in accordance with the Saskatchewan government guidelines. Envision offices will remain closed to the general public, but will be open for individual appointments when calls are made in advance.

As of Tuesday, May 19, 2020, Envision Counselling will be open by appointment only between the hours of 9:00am and 5:00pm. Walk-In Counselling will remain as Call-In Counselling and can be reached at 306-637-4004 with collect calls being accepted.

Safety of staff and those using services will continue to be a top priority while re-opening. In office, face-to-face counselling sessions will be available with appropriate personal protective equipment for both staff and clients. Telephone and video sessions will still be available for those in isolation or those not comfortable coming to the office.

Counselling is an invaluable service especially in times of uncertainty. Envision Counselling is working to find the best way to continue offering services while also keeping employees and members of the community safe during this time.

This decision is made in accordance with other Saskatchewan agency initiatives and will require collaboration from partner organizations and the community as knowledge on this change takes effect.

Envision Counselling will continue to monitor and update their agency's response accordingly and ask for patience and grace as they move through this re-opening. Any service changes can be found on Envision's website at www.envisioncounsellingcentre.com and their Facebook page.
