

Envision Counselling Seeking New Board Members FOR IMMEDIATE RELEASE

Southeast Saskatchewan – Envision Counselling and Support Centre is seeking new volunteer members for their Board of Directors.

The current Board of Directors is made up of passionate volunteers who guide the mission, vision and governance of Envision Counselling and Support Centre while working together with staff to ensure the organization is meeting the needs of those living in the communities they serve.

Envision Counselling provides therapeutic counselling and support, crisis intervention, in-home services, groups, workshops and education that helps individuals, families and couples feel empowered and content.

“We are fortunate to have had an array of enthusiastic and concerned individuals representing our Board,” says Christa Daku, Executive Director of Envision Counselling and Support Centre. “Since our inception in 1994, we have had more than fifty different community members sit on our Board.”

Being a non-profit, community based organization serving Southeast Saskatchewan for over 25 years, Envision Counselling is looking for members who live and work in the Southeast as well and are inspired to create change.

“We welcome anyone to apply to volunteer on our Board,” Daku says. “We want to hear the voices and experiences of those in the communities we serve and hear about what impacts them.” Daku goes on to say that Envision is especially looking for individuals with skills and experience in diversity and inclusion.

Envision Counselling values respect, inclusivity, adaptability and community. As a community member, if you believe that your values align with these, consider applying to become part of their Board of Directors team.

More information on how to apply to become a member of the Board of Directors for Envision Counselling can be found on their website at www.envisioncounsellingcentre.com. The deadline for applications is May 10, 2021.
