International Women's Day Events

Weyburn and Estevan celebrate women with diverse abilities

Painter Candace Mack shows her work at the Art Opening in Estevan, to honour women with diverse abilities for International Women's Day on March 8th.

Envision partnered with the Estevan Art Gallery and Estevan Diversified Services to bring together artists and art opportunities this winter.

In Weyburn a similar project launched with more art and artists, in partnership with the Weyburn Wor-Kin Shop. Special thanks to Martina Veneziano, Amber Andersen, Roberta DeRosier, and Andria Brady who worked so diligently on this project, keeping the artists the most important part of the picture. Funding provided by Status of Women Saskatchewan.

RBC lends support through volunteer activities at 3 Envision Offices

They came packing paintbrushes. Our Carlyle office welcomed seven members of the local Royal Bank Branch as they took on the task of office refurbishment. Partnering with RBC for their Employee Volunteer grants has been very beneficial, as the volunteers also bring with them a donation cheque for \$1000.

In Estevan, volunteers will help with organizing for our AGM in June, and in Weyburn, the volunteers gave a facelift to the front entrance of our office building. Thank you RBC and staff.

You can still donate by mail or call us at the office to arrange drop off.

Sexual Assault Awareness Week 2016

This year Envision joined other Saskatchewan agencies to promote the "Consent is Sexy Required" campaign.

Saskatchewan has the highest sexual assault rates in Canada, a statistic Sexual Assault Services Saskatchewan want to share with local communities so we can try to change these numbers in the future. Themes of the campaign include: "Stop Victim Blaming", "My Dress does not mean Yes", "Drinking is not a crime: Rape is." and "Consent is Asking Every time."

In the Southeast, we visited the high schools in both Weyburn and Estevan to set up displays and info booths. Our educators engaged students at lunchtime and between classes. Students filled out quiz sheets, colouring pages or played a bean-bag game to win a consent-themed t-shirt.

Envision is grateful for the support. THANK YOU...
